

WGL **STONE CLEAN LTD**

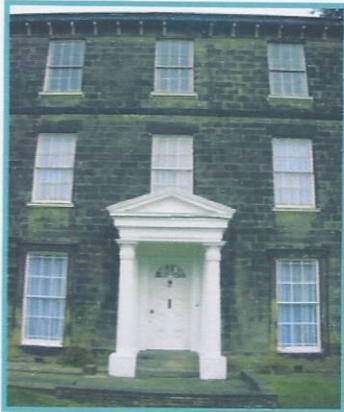

**Daarhling,
black buildings
are just so
19th century!
What next?
Bustles, corsets
and children up
chimneys!?**

**Daarhling,
Its spring again and
a woman's thoughts
inevitably turn
to..... And getting
the masonry
cleaned!**

DAARHLING
It's very simple,
Buildings
should be clean!

Only weekends
should be dirty

DAARHLING!
My dictionary
says that
Yorkshire Sandstone
is a "carboniferous
sedimentary rock
normally used in various
shades of YELLOW or
BUTTER or HONEY"
not BLACK!

DAARHLING,
a stylish black
number is just
the thing for
cocktails; but a dirty
black house is no
place for fizz and
nibbles
